## Meeting Minutes Date: 6/5/2023

#### **Old Business:**

- 1. Vice Chair & Secretary Positions Open
- 2. Alcohol Compliance Checks (ASAP Grant)
  - a. Quantitative Data
    - i. 38 locations identified; 34 locations checked
      - 1. 1 location mistakenly identified
      - 2. 1 location permanently closed
      - 3. 2 locations under new ownership no license yet
      - 4. 3 locations not identified/checked
        - a. 1 location Coordinator did not request check
        - b. 2 locations not on license registry
          - i. License valid for a year and renewed on a staggered schedule but unclear how often registry is updated
    - ii. Pass/Fail Rates
      - 1. 23 locations passed, 11 locations failed
        - a. All locations received a letter of pass/fail status
        - b. City Councils and Fiscal Court also received letter of overall rates and final report from ECS
        - c. Coordinator followed up in-person with failing locations to provide resources (WeCard Age Verification Calendar and RBS Voucher)
        - d. 2 failing locations have received RBS before and 1 had participated in Sticker Shock
        - e. 3 passing locations have received RBS before and 1 had participated in Sticker Shock
  - b. Qualitative Data (Contextual Factors)
    - i. ABC resumed compliance checks 3/16 (5 locations)
      - 1. Time Overlap Champions checks occurred as early as 8 days prior to as late as 1 month after
      - Pass/Fail Comparison 1 passed both, 2 passed Champions/failed ABC (1 had previous RBS), 1 failed both, 1 failed Champions/passed ABC

## Meeting Minutes Date: 6/5/2023

- 3. Consequences 3 employees cited by ABC, 1 location does 'internal' audits in which an employee failed and was suspended for 3 days per company policy
- 4. Misc Stores were not "busy" at time of purchase, All stores had some sort of "We ID" signage
- 5. The gender and age of the "seller" were factors in the checking of ID and subsequent sale, females over the age of 31 were less likely to ask for ID and more likely to sell even after asking for an ID. Further, the male purchaser was more likely to be carded and more likely to not be sold alcohol.
- c. Data Dissemination
  - i. Report from Epiphany Community Services
  - ii. Infographic for website and social media
  - iii. Full Page Ad in Grant County News
- 3. Coalition Capacity Report
  - a. Volunteers who completed the survey indicated that the Coalition:
    - i. Works together as a team to accomplish the goals of the Coalition
    - ii. Has an effective decision-making process in place
    - iii. Markets the value of the Coalition to the community
    - iv. Has organizational and logistic elements in place to support the Coalition's work
    - v. Is guided by their mission, vision, values, and/or strategic plan
    - vi. Ensures members understand the Coalition's purpose
  - b. Areas that the Coalition leadership may wish to explore further include:
    - i. Gaining and retaining diverse, active members
    - ii. Orientation and training
    - iii. Funding and sustainability
