Monthly Reports

- **Substance Update**
 - Aunty M’s advertising THC flower sold by the gram; will be illegal with new regulations in July; there will be phone numbers to report to DHB & KSP
 - FDA now has searchable database for tobacco products that can be legally marketed (link below); at this link there is also a flyer of FDA authorized e-cigarettes/vapes
<https://www.accessdata.fda.gov/scripts/searchtobacco/>
 - Potential federal rescheduling of marijuana from Schedule I to Schedule III means “moderate/low potential for abuse and potentially acceptable medical uses” which would continue to ‘normalize’ and decrease perception of harm
- **Coordinator’s Report**
