DFC Coordinator’s Report & Budget Overview

- No Cost Extension - to allow Champions to continue using remaining funds that we have (in case we do not get DFC Funding Years 6-10 from grant submitted in April)
- Budget - no budget overview for June (only expenses were Launi’s salary)
- July - money spent on back to school events supplies, retreat, travel, etc.

Old Business

- 501c3 banking update
 - Bank analysis was performed.
 - The executive committee met and agreed to go with Heritage.
 - By-law revisions were made (election process details)
 - Operating agreement (Similar to the by-laws except that the names of those in executive committee define who is allowed to do what)
 - Paperwork to be completed for Heritage to finalize
- Marijuana legislation
 - Champions released a Delta 8 / Marijuana update given to elected officials + community.
 - Federal level - legislation trying to have marijuana legalized but states would still have the option to choose to legalize or not.
 - OHIO - Pushing to legalize recreationally. It is already legalized medicinally (fairly strict policy). This is supported by the Mayor of Cincy.
 - Delta 8 - illegal at federal level so illegal at state level.
 - Four businesses in Grant county were selling Delta 8 at time of last environmental scan
